R 8330 (M) STUDENT RECORDS

A. Definitions (N.J.A.C. 6A:32-2.1)

1. “Access” means the right to view, make notes, and/or reproduce a student record.

2. “Adult student” means a person who is at least eighteen years of age, or is attending an institution of postsecondary education, or is an emancipated minor.

3. “Mandated student records” means student records that school districts compile pursuant to State statute, regulation, or authorized administrative directive.

4. “Parent” means the natural or adoptive parent, legal guardian, surrogate appointed according to N.J.A.C. 6A:14-2.2, or a person acting in place of a parent (such as a grandparent or stepparent with whom the student lives or a person legally responsible for the student’s welfare). Unless parental rights have been terminated by a court of appropriate jurisdiction, the parent retains all rights under N.J.A.C. 6A:32. In addition, a foster parent may act as a parent under the provisions of N.J.A.C. 6A:32 if the parent’s authority to make educational decisions on the student’s behalf has been terminated by a court of appropriate jurisdiction.

5. “Permitted student records” means records that the Board of Education has authorized, by resolution adopted at a regular public meeting, to be collected to promote the educational welfare of students.

6. “Student record” means information related to an individual student gathered within or outside the school district and maintained within the school district regardless of the physical form in which it is maintained. Essential in this definition is the idea that any information that is maintained for the purpose of second-party review is considered a student record. Therefore, information recorded by certified school personnel solely as a memory aid and not for the use of a second party is excluded from this definition.

7. “Student information directory” means a publication of the Board of Education that includes information relating to a student. It shall be used only by authorized school district personnel and for designated official use by judicial, law enforcement, and medical personnel and not for general public consumption. The information shall be the student’s: name; grade level; date and place of birth;
dates of attendance; major field of study; participation in officially recognized activities; weight and height relating to athletic team membership; degrees; awards; the most recent educational agency attended by the student; and other similar information.

B. General Considerations (N.J.A.C. 6A:32-7.1)

1. The Board of Education shall compile and maintain student records and regulate access, disclosure, or communication of information contained in educational records in a manner that assures the security of such records in accordance with the provisions of N.J.A.C. 6A:32-7.1 et seq.

2. Student records shall contain only such information as is relevant to the education of the student and is objectively based on the personal observations or knowledge of the certified school personnel who originate(s) the record.

3. The school district shall provide annual, written notification to parents, adult students, and emancipated minors of their rights in regard to student records and student participation in educational, occupational, and military recruitment programs. Copies of the applicable State and Federal laws and local policies shall be made available upon request. The school district shall make every effort to notify parents and adult students in their dominant language.

4. A non-adult student may assert rights of access only through his or her parents. However, nothing in N.J.A.C. 6A:32-7 et seq. or in Policy or Regulation 8330 shall be construed to prohibit certified school personnel from disclosing at their discretion student records to non-adult students or to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the student or other persons.

5. The parent or adult student shall have access to their own records and have access to or be specifically informed about only that portion of another student's record that contains information about his or her own child or himself or herself.

6. The Superintendent or designee shall require all permitted student records of currently enrolled students to be reviewed annually by certified school personnel to determine the education relevance of the material contained therein. The reviewer shall cause data no longer descriptive of the student or educational...
program to be deleted from the records except that prior notice shall be given for
classified students in accordance with N.J.A.C. 6A:14, Special Education. Such
information shall be disposed of and not be recorded elsewhere. No record of any
such deletion shall be made.

7. No liability shall be attached to any member, officer, or employee of the Board of
Education permitting access or furnishing student records in accordance with
N.J.A.C. 6A:32-7.1 et seq.

8. When the parent's or adult student's dominant language is not English or the parent
or adult student is deaf, the school district shall provide interpretation of the
student records in the dominant language of the parents or adult student.

9. Student health records shall be maintained separately from other student records
and handled, according to the requirements of N.J.A.C. 6A:32-7.1 et seq., until
such time as graduation or termination, whereupon the health history and
immunization record shall be removed from the student's health record and placed
in the student's mandated record.

C. School Contact Directory for Official Use (N.J.A.C. 6A:32-7.2)

1. The Board of Education shall compile and maintain a school contact directory for
official use that is separate and distinct from the student information directory.

   a. School personnel shall provide information from the school contact
directory for official use only to judicial and law enforcement personnel,
and to medical personnel currently providing services to the student in
question.

   b. Upon request from a court, other judicial agency, law enforcement agency,
or medical service provider currently providing services to the student in
question, school personnel shall promptly verify the enrollment of a student
and provide the requester with all information about that student that is
contained in the school contact directory for official use.

2. To exclude any information from the school contact directory for official use, the
parent, adult student, or emancipated minor shall notify the Superintendent or
designee in writing.

f. All other records required by N.J.A.C. 6A.

2. Permitted student records are those student records not mandated pursuant to N.J.A.C. 6A:32-7.3, but authorized by the Board to promote the student’s educational welfare and include the following as authorized by this Board upon adoption of Policy and Regulation 8330. These records may include, but are not limited to:

   a. Personally authenticated observations, assessments, ratings, and anecdotal reports recorded by teaching staff members in the performance of their professional responsibilities and intended for review by another person, provided the record is dated and signed by the originator. Information recorded solely as a memory aid for the originator becomes a student’s record when it is reviewed by any other person, including a substitute;

and Regulation 8330 assures that access to such records is limited to authorized persons.

2. Records for each individual student may be stored either electronically or in paper format. When student records are stored electronically, proper security and backup procedures shall be administered.

3. Student health records, whether stored on paper or electronically, shall be maintained separately from other student records, until such time as graduation or termination whereupon the health history and immunization record shall be removed from the student's health record and placed in the student's mandated record.

4. Records shall be accessible during the hours in which the school program is in operation.

5. Mandated student records required as part of programs established through State-administered entitlement or discretionary funds from the U.S. Department of Education shall be maintained for a period of five years after graduation, termination from the school district, or age twenty-three, whichever is longer, and shall be disposed of in accordance with N.J.S.A. 47:3-15 et seq.

F. Access to Student Records (N.J.A.C. 6A:32-7.5)

that the cost does not effectively prevent the parents or adult students from exercising their rights under N.J.A.C. 6A:32-7 or other Federal and State rules and regulations regarding students with disabilities, including N.J.A.C. 6A:14.

G. Authorized Organizations, Agencies, and Persons with Access to Student Records (N.J.A.C. 6A:7.5(e))

13. Agency caseworkers or other representatives of a State or local child welfare agency who have the right to access a student's case plan when the agency or

Superintendent or designee the request in writing together with any required authorization.

Only that portion of the record designated by the court shall be withheld. When the district has or obtains evidence of such court order, the parent or adult student shall be notified in writing within five days of his or her request that access to the record has been denied and that the person has the right to appeal this decision to the court issuing the order.

I. Rights of Appeal for Parents and Adult Students (N.J.A.C. 6A:32-7.7)

1. Student records are subject to challenge by parents and adult students on grounds of inaccuracy, irrelevancy, impermissive disclosure, inclusion of improper information, or denial of access to organizations, agencies, and persons. The parent or adult student may seek to: expunge inaccurate, irrelevant, or otherwise improper information from the student record; insert additional data as well as
reasonable comments as to the meaning and/or accuracy of the records; and/or request an immediate stay of disclosure pending final determination of the challenge procedure as described in N.J.A.C. 6A:32-7.

2. To request a change in the record or to request a stay of disclosure pending final determination of the challenged procedure, the process shall be as follows:

A record of the appeal proceedings and outcome shall be made a part of the student’s record with copies made available to the parent or adult student.

3. Appeals relating to student records of students with disabilities shall be processed in accordance with the requirements of I.2. above.

4. Regardless of the outcome of any appeal, a parent or adult student shall be permitted to place in the student record a statement commenting upon the information in the student record or setting forth any reasons for disagreement with the decision made in the appeal.
a. Such statements shall be maintained as part of the student record as long as the contested portion of the record is maintained. If the contested portion of the record is disclosed to any party, the statement commenting upon the information shall also be disclosed to that party.

   a. Such disposition shall be accomplished only after written parental or adult student notification and written parental or adult student permission has been granted or after reasonable attempts of such notification and reasonable attempts to secure parental or adult student permission have been unsuccessful.

3. Upon graduation or permanent departure of a student from the school district:

   a. The parent or adult student shall be notified in writing that a copy of the entire student record will be provided to them upon request.

   b. Information in student records, other than that described in N.J.A.C. 6A:32-7.8(e) and 5. below, may be disposed of, but only in accordance with the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq.

   c. Such disposition shall be accomplished only after written parental or adult student notification; and written parental or adult student permission has been granted, or after reasonable attempts at such notification and

4. No additions shall be made to the record after graduation or permanent departure without the prior written consent of the parent or adult student.

5. The New Jersey public school district of last enrollment, graduation, or permanent departure of the student from the school district shall keep for one hundred years a mandated record of a student's name, date of birth, name of parents, gender, health history and immunization, standardized assessment results, grades, attendance, classes attended, grade level completed, year completed, and years of attendance.
